

## Instructions for completing the Scholarship Application

We are accepting applications for Kansas Rainbow Scholarships. Those interested in applying for a scholarship must complete an application and turn it in by the deadline to be eligible for consideration. Only those received by the deadline will be considered. Applications are available from your Mother Advisor.

Any active Rainbow Girl or Majority Member pursuing post-high school education, either a technical program or college, is eligible and encouraged to apply. Receipt of an application does not ensure that a scholarship will be granted.

Please be sure to complete the entire application. We want your full name, date of birth (month, day and year), complete address, phone number and name of home assembly. If you are a Majority Member, give the year you received your majority. If you are a Member of the Grand Cross of Color, give the year you received this honor.

Give the name and graduation date (month and year) of your high school.

If you were a graduating senior in the 2016-2017 school year, we need your high school GPA and a copy of your high school transcript. Be sure to request a copy of your transcript before your school office closes for the summer. No applications will be accepted without a transcript.

If you were enrolled in a technical program or college in the 2016-2017 school year, we need your cumulative college GPA and a copy of your college transcript. Be sure to request a copy of your transcript before your school office closes for the summer. No applications will be accepted without a transcript.

Mark the year you most recently completed (Freshman, Sophomore, Junior, Senior).

Give your major field of study and describe your major or intended major.

List other awards or offices held in school, church, or other organizations.

List the Grand Appointments you have held (including Pages and Grand Representatives) and the year you served in each office.

Tell us about your Rainbow activities and what your future Rainbow plans will be.

Sign and date your application.

You must also have ONE additional signature - your Mother Advisor OR an Advisory Board Member OR an Grand Executive Committee Member.

Bring your completed application and a copy of your transcript to Grand Assembly. Give it to Anita any time on Thursday, July 6 or take it to Registration on Friday, July 7 by 2:00 PM. Whoever you give it to, be sure they sign the bottom of the application stating that they received it and the time you gave it to them.

**Only those applications received by 2:00 PM on July 7 will be eligible for consideration.**
